Asaba, Delta, Nigeria

PROFESSIONAL SUMMARY

Detail-oriented Front-End Developer and Software Engineering student with a strong foundation in building modern, responsive web applications. Proficient in React, TypeScript, and JavaScript, with hands-on experience developing user-friendly interfaces and collaborating on team-based projects. Focused on writing clean, maintainable code and continuously expanding into full-stack development.

SKILLS

Technical Skills: JavaScript, TypeScript, HTML5, CSS3, React, Vite, API Integration

Design: Figma, UI/UX Design, Responsive Design

Soft Skills: Team Collaboration, Problem Solving, Communication, Project Management

PROJECTS

Web App Featuring African Countries

- Designed and built a web application showcasing the culture and uniqueness of African countries
- Developed the frontend using TypeScript and Tailwind CSS with a focus on responsiveness
- Built a REST API using Node.js (Express) to serve dynamic country data

Portfolio Website

- Built a responsive personal portfolio using HTML, Tailwind CSS, and JavaScript
- Designed clean UI layouts and ensured cross-device compatibility

Bakery Website

- Built a responsive frontend using HTML, Tailwind CSS, and JavaScript with reusable components
- Integrated backend APIs to display dynamic content

Academic Team Project (Project Manager)

- Led a team to successfully deliver a software project within the deadline
 - Coordinated tasks, tracked progress, and contributed to debugging and testing
-

EXPERIENCE

Student Software Developer (Project-Based Experience)

- Collaborated with team members to troubleshoot and resolve software issues
 - Participated in code reviews to improve code quality and enforce best practices
 - Contributed to building user-friendly and responsive web interfaces
-

ACHIEVEMENTS

- Received internship offers from Codeva and CodeAlpha
-

CERTIFICATIONS

- UI/UX Strategies Certification — UniAthena
https://docs.uniathena.com/prod/course/certificate/1057_1770675730_certificate.jpg
-

EDUCATION

Bachelor of Science in Software Engineering

Babcock University, Ogun State, Nigeria

September 2024 – Present

INTERESTS

- UI/UX Design
- Front-End Development
- Learning new web technologies
